FASTBALL LEAGUE

Joannie Dillabaugh Award

Joannie played in our league for ten years. She had an operation for an aneurysm that sadly left her with limited use on the left side of her body. She continued to come out, batted with one hand on the bat and ran to the best of her ability. In Joannie's mind this was not a handicap, merely something that slowed her down a little. Joannie also served on the Executive and as a team rep. She was always willing to somehow participate in a game she loved, with people who judged her for who she was, and not the physical disabilities she had. A final aneurysm added her to the team of angels in 1992.

Presented at the Sue Beischer Tournament, the Joannie Dillabaugh Trophy will be awarded to the player who:

 *Has fun!* 

Is dedicated to the league

Loves softball and has spirit for the game

Is dedicated to ensuring everyone has fun

Has respect for players no matter their ability

Each team has two votes and is encouraged to vote for the players throughout the league that most represent Joannie's spirit and will to play. Most of all, candidates should be an inspiration to everyone in the league. All ballots must be handed in to a member of the Executive, by noon on Saturday at the Sue Beischer Tournament.

**First nomination for the
Joanie Dillabaugh Award**

**Second nomination for the
Joanie Dillabaugh Award**
