

Victoria Women's Fastball League

Round Two Newsletter - July 2005

President's Note *By Dawn Evans*

Whew, has the season ever gone by this fast before? I suppose that I think the same thing at the end of each season. Congrats to all the teams for making this season a lot of fun for all of us in the league.

I'd like to congratulate the Wild for their first place finish in both league play and the playoffs, and wish them best of luck at the Provincials. I'm looking forward to catching some of the Senior 'C' games up at Hyacinth Aug 5-7, since our league will be represented by both the Wild and the A's. Good luck gals! Make sure that you keep us posted on the website's news board with your game times.

This being my first time in the Presidential seat, I'd like to thank the rest of our dedicated Executive for all their work to get us all out

playing. Fields, tournaments, insurance, trophies, rosters, standings, umpires, newsletters, and money (among other things) have all been taken care of by these gals and they've all done a great job! Many thanks to you all for your time and efforts on behalf of the league to make this season so successful.

We are at an important time for our league, where we are growing stronger with better play and more dedicated players. We need to keep our community strong, and the support of the players is essential for that. The AGM is where we decide on an Executive, talk about the upcoming season and discuss our rules and constitution. Please strongly consider having your team **well** represented there.

I hope that everyone enjoys their time off the field and that we'll see your smiling faces at the 2006 AGM in January.

A Note from View Royal Heat

Round 2 was a definite growth for View Royal. We started to see the team working together and getting in a groove. Unfortunately towards playoffs we saw many of our players travelling or moving. Natalia has headed to Trinidad & Tobago while Amber has jetted off to India. Shawna is also leaving to pursue a new career in Kelowna. Best of luck to all in the tournament.

The Wild have an announcement ...

The Wild would like to welcome their new generation of players. Andy Olson had a beautiful baby girl on July 4th. She was 6 pounds and 9 ounces and very healthy. Her name is Angelina May Terrassi. Both Mom and baby are doing very well and will part of the Wild's cheering section.

The League sends Andy a big 'Congratulations'

The Brewers

The Brewers are happy to acknowledge that we sucked the last half of the season due to a number of recent injuries. For all of you who beat us CONGRATS and we will try to get our revenge next year. We had lots of fun and adopted our new motto, "Pain is Temporary, Pride is Forever" Pain being this season, hoping for pride next season.

Storm

The Storm weathered Round 2 and had plenty of fun but not a lot of wins! Banished to the beer round we joined the Reds, Panthers, and Heat for some playoff action. But alas, it doesn't look like we will be winning the beer this time. Jo and Kat (Coach and Half-Coach) have done a phenomenal job coaching this year; from batting tips to new fielding drills to picking

up our lost items in the dug out (and there are a lot of them!!) We don't know what we would do without them. Whether winning or losing the Storm always have fun - we are thankful for such a great group of women to play ball with. Good luck to all teams in the Sue B tourney and we look forward to next season.

Finally.....

(<-----That is supposed to be a golf ball!!)

I just wanted to thank everyone that came out to the golf tourney. It was amazingly fun and we had a great turnout of people were ready to have a great time. All teams that participated looked like they enjoyed themselves. I had a great time organizing it and I hope to do it again next year. Thank you for the prizes that were donated and a special thank you to Uta who helped me organize the winners, prizes, and general rules of running a golf tourney as well as actually giving the speeches when I was too shy to give out the prizes. Congrats to Kat (Storm) who won best individual score and longest drive, Suzi (Brewers) who won closest to the pin and best team score went to Uta, Boomer, Kiersten, Jon (Storm) The 'Honourable Mentions' went to Loretta from Brewers and Candace, Cara, Laurie, and Wanda (Team Snowman) from Storm.
