Presidential Address

Well we've almost put another season into the books. I hope that everyone has had a fantastic season, and piles of fun. I'm looking to seeing everyone at the Sue Beischer tournament, but it is a bittersweet ending to the season for me.

Congrats to the A's for winning first place in the regular season. I would like to wish them, the Heat, the Wild, and the Panthers much luck in the upcoming provincials. All are going over to Softball City the weekend of August 4-6 to show off our league.

It's a busy time of the season for the Executive as there are tournaments to run, awards to get ready, bills to pay, newsletters to publish, and still playoff games to play! Each of the gals on the Executive has spent lots of time keeping things running smoothly so that the league can continue to play and flourish. On behalf of the league, I would like to thank each of them for their efforts over the year. We will be busy in the off-season preparing some changes to bring forward to the AGM in January. There will be several things to discuss, so I encourage you and your teammates to come out for the discussion. I would also like to encourage those who are interested in positions on the Executive to step up and help continue to grow this league. If you have any questions about the positions or have any other issues that you would like to have discussed at the AGM please let me or another member of the Executive know.

See you on the field everyone!

2006 Golf Tourney Recap

We had record breaking numbers for this years Golf Tourney, close to 60 rowdy players, coaches and friends on the course. The weather was great, and a good time was had by all. (I hope). Team Storm know how to golf, Kat and Jamie had the ladies winning scores, and Katie the ladies longest drive. John had the best mens score and KP. Wild Mike Weber took the mens longest drive, and the ladies KP went to the Heat's Alicia. Congrats to all. The Slider thought bigger was better with Sophie, Darcy and Tim cleaning up with the worst score prizes. Good work guys. Many thanks to all who came out this year, hope to see you all, (and more), next year.

Wild

The Wild girls would like to thank everyone for making this season another great one! Thanks to the opposition, who continually bring their A-game and make this league a fun but competiive place to be. Thanks to the Executive for their tireless work on our behalf (we know it's not easy!). The team would also like to congratulate **Nicole Rioux and Adam Israel** on getting married July 7... what a party! And, lastly, a huge thank you to our fans and our coaches, who spend countless hours cheering us on and pushing us harder. Good luck to everyone going to Provincials!

Getting to Know You Tournament

This year's Getting to Know You tourney is shaping up to include 3-4 teams of Midget B and C gals. This is a great chance to let those gals who are possibly interested in playing in our league next season or the one after that a chance to see what they would be up against should they choose our league. This is a fun time for Us as a league to let these gals hit a few faster pitchers and see what great fun it is to be involved with the Victoria Women's Fastball League.

Sliders

Okay, so maybe us Sliders had a bit of a shaky start to the season, but when it came time for the beer round...we came out to play! After winning 5 games straight and securing our coveted prize, I think we made it clear that you just can't separate a Slider from her beer! Win or lose though, us Sliders shared a lot of laughs and had tons of fun this season. A big welcome back to Sophie who's full of Slider and league spirit. Congratulations to Carlie who's getting married, and Karla who's expecting her second child at the end of the summer. Huge thanks to Glen and Alec who have given our team so much of their time and support. Also, a big thank you to all members of the executive who have done an excellent job ensuring our games, tournaments and events ran smoothly. Congratulations to all teams for good times and quality baseball, it has been a pleasure to play ball with and against such a great group of ladies. Goodluck to everyone at the Sue B. tourney, we're already looking forward to next season. Cheers to Beers.
Whoaaaaaaaaaaaaaaaaaaaaaaaaaaaa Sliders!

The Panthers

We are now moving into the second round of playoffs and having a great time. The new player that came on board this season have been great. We have dragged our founding coach, Gene Smith, out of retirement, to help us through the playoffs and the provincials. Our team is really excited about going to Softball City and can't wait to get their.
